### IT'S TIME TO ACCESSORIZE!

ing poolside or turning up the heat on, top off your summer wardrobe with sizzling accessories.

Summer is about mirroring everything—clothing, makeup, hair and of course jewelry. "Because it's hot out, no one wants to fuss with over-the-top, heavy accessories, but original makes the difference," says Adina Far circle necklace. "Find those basic, everyday pieces that can go from day to night and wear in necklaces and pairing them with modern accessories."
